

LIVING THE VOLUNTEER SPIRIT

OFFICIAL NEWSLETTER OF THE GFWC BITTERROOT WOMAN'S CLUB

WELCOME TO OUR FIRST NEWSLETTER

The goal of developing our newsletter will be to keep our volunteers, donors, and subscribers up to date with the coming's and going's of the club by engaging you with news, updates, and specific calls-to-action.

Starting in April we hope to increase traffic to and regular engagement with our Facebook page and new website (keep an eye on your email for news about this!). We hope to garner more support, and publicize our causes. We will use this email newsletter to let our volunteers and donors know what is going on in the coming months and you can share it with others. We will also offer the opportunity for people to subscribe on our new website.

We will compose our most recent successes into a brief narrative that will hopefully inspire the readers. We will provide links to our website for readers who want to find out more. We will highlight any photos, media coverage by linking to our website any news articles and/or videos that put a spotlight on our organization this could include information on other GFWC Montana Clubs, GFWC Montana and GFWC International.

We have a very colorful past! History helps us to know how we got to this point. We will be sharing snippets of the history of our club that you might not know of! Do you have thoughts on what else we should cover? We love ideas! Please send them to our Gmail address that is listed at the bottom of this page!

VOLUNTEER MINUTE

We will be showcasing our amazing volunteers and why they continue volunteering with GFWC Bitterroot Woman's Club. We all have a story and your story might be the one that grabs the attention of a prospective new member or an unknown donor! We want to show our profound appreciation for our amazing volunteers, we know they are amazing. Through their profiles and stories they might also inspire others to volunteer at our next event and/or contribute.

Every newsletter we send is an opportunity to make a compelling call to action. While we appreciate all donations, we can't forget to explain other ways to get involved. We will present readers with specific ways to volunteer and why their service is important.

FLOWER POWER FUNDRAISER

We raised \$391 which will help us continue working on the projects that help our communities every day! Thank you Linda N., chairman of this fundraiser, for helping us beautify our yards while raising funds for the club!

SPRING ONLINE AUCTION

With the help of our members and our many generous donors we have reached and exceeded our goal of \$5,000! We raised \$6,300.00! Thank you Nancy D. for being the chairman of this fundraiser, you did an amazing job, as always!

NO-SEW DOG/CAT BLANKET KIT PROJECT

This is a wonderful community collaboration of our club along with the Darby Library and the Bitter Root Humane Association. Please reach out to us if you are interested in volunteering for this project. We need lots of hands to make light work. We will be getting together in late April/Early May. Our Chairman, Joyce H. will email details to those interested.

May 4 - 5, 2023

Missoula Gives & Bitterroot Gives, an initiative of Missoula Community Foundation, is a 26-hour online celebration of the Missoula and Ravalli communities. It connects generous Missoulians and Bitterrooters with the causes they care about. It is a day to celebrate all that Missoula and Ravalli are and the role nonprofits play in making our community great.

Please reach out to us if you are interested in volunteering at this event. If you have questions please call or text our Club President Sarah at 406-544-9269 or email gfwc.bitterrootwc@gmail.com. She will get you in touch with our Chairman, Bobbie S.
