

LIVING THE VOLUNTEER SPIRIT

OFFICIAL NEWSLETTER OF THE GFWC BITTERROOT WOMAN'S CLUB

What's the Buzz?

We were made aware of a growing need for feminine hygiene products for the Middle and High School students at Victor School District. Today we dropped off 12 bulk boxes of products along with zippered pouches to discreetly distribute the products. Pictured (l-r): Amy Kay, H.S. P.E. Teacher and Adriann Monson, Chairman of our **Healthy Hygiene Project**.

We plan to expand this project throughout the Bitterroot Valley. If you would like to donate to this project you can message this page or gfwc.bitterrootwc@gmail.com and we will make sure your donation gets to the place of greatest need.

The Western District meeting. It is always a great opportunity to meet our sister clubs in the Western part of Montana. We always have fun, meeting new people and gain a greater understanding in how we play a larger role within the structure of GFWC! This year we celebrated Ronald McDonald House; Cancer Network of Sanders County; 10 and 25 year members; District Secondary Scholarship award winner; and Caring for those who Care for us program.

VOLUNTEER MINUTE

May 4 - 5, 2023

Missoula Gives & Bitterroot Gives, an initiative of Missoula Community Foundation, is a 26-hour online celebration of the Missoula and Ravalli communities. It connects generous Missoulians and Bitterrooters with the causes they care about. It is a day to celebrate all that Missoula and Ravalli are and the role nonprofits play in making our community great.

As you can see our gals had a fun time on Main Street in Hamilton promoting our club!

NO-SEW DOG/CAT BLANKET KIT PROJECT
